

We invite all newcomers to join us for a couple of club runs for free before paying our membership subscription. Subscription fees help towards the running of the club and go towards membership of The Association of Running Clubs (ARC) and England Athletics.

New members

For new members the annual subscription is £20 for those joining January to June, with a reduced fee of £10 for members starting 1st July onwards.

There is also an optional £13 England Athletics fee, where we have affiliation for road running and cross-country (other membership benefits are available).

Membership benefits:-

- Training at the club every Tuesday and Thursday all year round (7.30pm start)
- Affiliated membership discount at races: Around £2 off each race entry.
- Club vests available for £15 to wear at local and national races

See website for more details including benefits of EA membership:
