

Harpenden Arrows Club Kit order form - 2014

(NB Club vests / shirts MUST be worn for Cross Country and some other league events)

The club vest is red and white. The 'Harpenden Arrows' logo in white will be on both the front and back of the vest. The logo will be positioned to sit above your race number at the front and positioning should also allow enough space for your name should you wish to add it when running a marathon or other major race. We also offer the option of a T-shirt, again in red and white with the logo on the front and back of the shirt.

There is a club Hoodie in Red with the Arrows logo on the front which is great for keeping cosy whilst waiting for those early morning starts.

We also have Club beanies which are woollen with the logo embroidered on and club baseball caps too
